INTRODUCTION.

In the fourth annual report, herewith submitted, there are shown the complete financial transactions of forty-eight counties and two hundred and fifteen towns and cities.

The counties of Inyo, Mono, San Benito, San Mateo, Sonoma and Stanislaus did not furnish the necessary data.

The cities and towns which did not comply with the provisions of the statutes are San Jose, Santa Cruz, San Rafael, San Luis Obispo, Coalinga, Hollister, Auburn, Ukiah, Benicia, Dunsmuir, Lemoore, Crescent City, San Jacinto, Ferndale, Lakeport, Concord, Fort Jones, Boulder Creek and San Juan.

In each issue of the report there has been a comparison made of the principal receipts and disbursements with those of previous years. This year these comparisons are not attempted, as they would be valueless on account of the number of missing reports.

The legislature of this year passed an amendment to the act of 1911, providing for a forfeit of one thousand dollars to be collected upon an action brought by the Attorney General of the State against any county or city auditor or clerk who refuses, neglects, or fails to render this report.

It is not in accordance with the wishes of this department to be forced to resort to the provisions of this amendment in order to get the data required to make complete reports; on the other hand, it is useless to spend time and money in publishing incomplete statistics.
