INTRODUCTION

This edition of the Controller's Report of Financial Transactions concerning Cities covers the fiscal year ending June 30, 1955, except as otherwise noted and is limited in scope to the publication of data submitted by city officials. The report concerning counties has been published as a separate volume.

The continuing increase in the number of incorporated cities will be noted in the list of new cities not as yet detailed in this report:

- Anderson in Shasta County, incorporated January 16, 1956.
- Baldwin Park in Los Angeles County, incorporated January 25, 1956.
- Cabazon in Riverside County, incorporated November 14, 1955.
- Capertino in Santa Clara County, incorporated October 10, 1955.
- Dairyland in Orange County, incorporated October 26, 1955.
- Fremont in Alameda County, incorporated January 23, 1956.
- Los Altos Hills in Santa Clara County, incorporated January 27, 1956.

City tax receipts increased from \$216,874,551 to \$241,157,828. Few cities reported any significant reduction in receipts from this source. Governmental receipts increased from \$776,562,526 to \$841,837,259. While expenditures rose from \$809,546,924 to \$857,772,723. Protection to Persons and Property was instrumental in the largest individual increase in costs; from \$165,051,115 to \$181,095,673.

For the Fiscal Year 1955-56, city tax levies were \$253,052,650, an increase of nearly \$15,000,000 over the previous year. Assessed value of cities increased from 12.2 billion to 13.1 billion. Of this increase approximately \$165,000,000 is estimated to be the result of the recent equalization action ordered by the State Board of Equalization. Bonded indebtedness increased from \$767,980,188 to \$790,725,023. Some 26 cities participated in new issues which included a \$37,000,000 electric plant in Los Angeles and \$25,000 municipal improvements in the city of Jackson.

NOTE: The City of Napa has changed the reporting period from a calendar to a fiscal year basis. In order to include all the detail not heretofore reported, all transactions for the city are on an 18-month period.
